

Video script : How to make All serums | Pocket Mortys

Intro

Play intro with my classic introduction "Hello there and welcome to Asobu, i am your local content bartender and today i'll serve you how to make all kinds of serums"(Play intro over clip with the veadeotube mini screen) with the extension "Check the timestamps in the description and or scrollbar to skip ahead to the recipe you want. Well let's get straight into it!"

Timestamps

(show a list of all the serums on the right side with the timestamp how to make them on the left and show how to make the acces ingredients; (Supercharged) Battery, Purified Fleeb and etc..) Let this play around 5-8 seconds long

Notes:

Add a short animation like the intro overtime you enter a new chapter with a context appropriate symbol/icon also add how much HP it restores and additional info

Part 1: How to make a "Serum"

"The easiest to make but still reliable the serum to make this it is quite simple" (show a board with the ingredients on them)you just need a Battery and a fleeb" Extension "You can these items in the open world when entering the main portal"

Part 2: How to make "Great serum"

"This lad can help you early to mid games a lot.A tad harder but not by much you need battery and a purified Fleeb" (Show a board with the ingredients) "Check {Timestamps} for how to make the battery and purified fleeb""

Part 3: How to make "Sensational serum"

"Sensational for when you got hit by a critical... to make this bad boy you'll need a supercharged battery + Serum.. Yup this one uses its the weakest of the 4 to make the second strongest.. There's a motivational speech/quote somewhere in there.."

Part 4:How to make "pure serum"

"At the pinnacle of healing, rumored to be ablw to restore a planet to its prime time eith its left over space dust.. Pure serum created with a Super charged battery + Great Serum"

How to make the left over items

Read the list under here when there also on the screen
